CAMP APP

We are happy to announce a new addition to our communication tools that will help us convey information to you quicker and more directly.

We have developed a camp app appropriately called CAROLINA GIRLS SOCCER CAMP. It is available in the Apple and Google app stores.

Download it to your phone and you will be able to receive news updates, see the camp schedule, and most importantly, receive up to the minute communication updates about the locations and times of sessions at camp.

We encourage everyone to use the app while at camp as this will be the main way we will communicate changes in sessions due to inclement weather or other circumstances while the camp is going on.

The registration code for the app is UNC1.

When you open the app, make sure you adjust your preferences under **MORE**.

Communication Settings adjust how you receive information: Push, Text, or Email.

My Camp Settings allows you to just get information for the specific camp you are attending.

We hope you enjoy our new product!

OFF FIELD ACTIVITIES:

You will have brief access to the UNC campus and downtown Chapel Hill area in-between sessions. The Franklin Street business district is two blocks from campus and offers many great eateries and souvenir shops. Our school's Student Stores is right across from our on-campus training facilities and also offers a wide variety of UNC items.

Sincerely,
Carolina Girls' Soccer Camp
